VEGETABLE AND
FLOWER SEEDS

CODE: American Seed Trade Ass'n
CABLE ADDRESS: "Bodger, Los Angeles."

JOHN BODGER & SONS CO.

SEED GROWERS

1427 RIDGE WAY

LOS ANGELES, CALIFORNIA, U. S. A.

CONTRACT FOR 1920 CROP

.....19.....

Between JOHN BODGER & SONS CO., Los Angeles, California,

And

.....

JOHN BODGER & SONS CO. agree to plant sufficient land under normal conditions, ordinarily to produce the amount of seed named hereafter, at prices indicated, and will deliver the seed in merchantable condition at nearest terminal point in California as soon as practicable after harvest.

JOHN BODGER & SONS CO. will accept contracts only as long as the condition of the crops is favorable enough to justify their accepting same, but in event of short crops will fill pro rata only.

Bags or containers will be charged at market value.

TERMS: F.O.B. California terminal, flower and vegetable seeds, 90 days net or 2 per cent discount for cash within 30 days from date of invoice. Means, sight draft against bill-of-lading. All overdue accounts subject to sight draft without further notice.

NON-WARRANTY. We exercise the greatest care in growing and harvesting our seeds, roguing our crops under personal supervision, to the best of our ability, true to name, and send out nothing but what we believe will give satisfaction. It must, however, be expressly understood that we warrant neither growth, description nor productiveness of any seeds we deliver, nor will we hold ourselves responsible for the crop raised from any of the seeds we grow.

If our goods are not accepted on these terms, we should be notified at once.

Our seeds have now been selling on their merits for the past twenty-six years, and by observing the steadily increasing demand we believe they have given general satisfaction; but should any variety not have been as represented, we hope our patrons will advise forthwith.

ASTERS

These important flowers are one of our leading varieties and after probing the different soils for many years for the best adapted to these, we have now secured the finest for producing flowers of the best quality and seed of the strongest germinative power, and have full confidence of being able to give entire satisfaction.

NEW VARIETIES OF OUR INTRODUCTION

American Beauty

These are the Giant Branching type with large full flowers and incurved petals, borne on stout stems 15 to 24 inches long, making them most desirable for cut flowers. For fuller description see Novelty list.
